**Session:** DOSH Program Update

**Speaker(s):** Steve Cant                      Number of Evals: 21

|   | Average<br>Bad) 1 - 2 - 3 - 4 - 5 (Good |
|---|---|
| 1. This session was well designed (e.g. pacing, Q A time)               | 3.7                                     |
| 2. I got information from this session I can use immediately in my job. | 3.9                                     |
| 3. The speaker used good presentation skills.                           | 3.9                                     |
| 4. The speaker appropriately involved participants.                     | 3.7                                     |
| 5. This session met my expectations                                     | 3.8                                     |
| 6. Did you like the topic?  | 4.0                                     |

**What did you like best about this presentation?**

- Facts on 2009 20 updated reports
- Took away info that increased my knowledge bas on DOSH operations.
- Extremely intelligent articulate speaker.
- Clear Information
- Updated statistics: awareness of consultation sources
- Good statistical information
- Statistic update
- Material information to take, lots of L&I staff present for questions.
- Good Update
- Nice overview of WISHA

**What constructive changes would you suggest to make the presentation more effective?**

- in/a
- !This was very basic Information for me regarding DOSH.
- !Questions very information for future
- !Talk more about the changes and not so much about general things that DOSH does.
- !Handout availability
- !Shorten length (Not to exceed 45 minutes)
- !change title to "What Does WISHA Do" lots of time spent on who/what WISHA is versus updates.

**Suggested Topics for next year:**

Share common violations found in the major industries, including healthcare.
