What constructive changes would you suggest to make the presentation more effective?

- !Topic is complex, could have allowed more time.
- !Add more time to session.
- !Not run out of time on the system deficiencies section which really is key. Add one question/perspective from the supervisor investigations "What was my contribution to laws incident?"
- !Longer
- !More video and pics related to topic.
- !No changes needed
- !Get more managers and supervisors to listen to this guy.
- !More time
- !Ordinary staff / employees were not mentioned some of us were here.
- !Would have liked to review their form will do it later.
- !More time.
- !More time
- !Little longer class.
- !Cover all the materials in the presentation and manage time better.
- !Detail more information from form/information packet. Don't try to cover so much info If it is easy Investigation, discuss how to make investigation easy. Don't cover or review incident. Don't try to cover so much info If it is easy Investigation, discuss how to make investigation easy. Don't cover or review incident.
- !More time for the session, more detailed info on handouts, speaker kept drifting off topic.
- !Longer
- !More time.
- !Need more time.
- !This presentation needs more time.

GOVERNOR'S INDUSTRIAL SAFETY & HEALTH CONFERENCE - OCTOBER 7 & 8, 2009

!If slides are going to be presented, the speaker should at least touch on a couple of items on the slide.

!None - Great presentation

!Some actors to demonstrate an accident scene.

!This subject needs more time.

!Discuss management responsibilities more and how to keep discipline separate from investigation.

!None

!Maybe a little longer time.

!Make longer.
