5. This session met my expectations	3.5
6. Did you like the topic?	3.7

**What did you like best about this presentation?**

This concept was new to me, it has many implementtions for me and my company.

Knowledge

Thought provoking topic and excellent presentation .

Interation with the audience.

Presenter's deliver and content was excellent.

**What constructive changes would you suggest to make the presentation more effective?**

:A better description of the presentation. I feel like many people in the room were expecting something else.

:Disspaointed in topic. Would have been better tohave a sheet of the resources.

:Handouts

:Slides with less detail and fewer butllet points.

:Nothing comes to mind.

**Suggested Topics for next year:**

Safety Design - The Safety Professionals Role - Gettng the Safety Professionl interesed into the design phase to influence safe elements for the owner.
