What did you like best about this presentation?

- Photos included
- Connection of tunneling and diving.
- Health topics/Equipment knowledge
- Learned lots.
- Topic
- Highlighted solution actions
- Comparisons of tunneling and excavation.

What constructive changes would you suggest to make the presentation more effective?

- !More expression - too dry. Add life - keep peoples attention
- !Bring in experts from the specific jobs. If the presentation was ment as an industry specific it was very basic information. The class was not intended for tunneling proffesionals.
- !Longer Course.
- !More detail
- !Allow more time.
- !Give them more time.
- !Opportunity for questions.

Suggested Topics for next year:

Would like more information oon mcro tunneling.
