What did you like best about this presentation?

Content.

Good overall knowledge

Good analagies

Good speaker

Great story teller

Very knowledgabel on subject, well spoken, eye opening for employer responsibility & supervisor of sub contractors.

Open minded, safety first attitude.

What constructive changes would you suggest to make the presentation more effective?

!This COULD be a great topic. Presentation was a subjective histoy on multi-employer, after 45 minutes a question was asked. The speaker assured us he would get to that but never did.

!Longer - more contrator particular needs.
